

WHAT TO DO WHEN HAIL HITS YOUR HOME!

Anyone living in Calgary, Lacombe, or Red Deer in the Summer of 2015, has likely encountered some hail damage.

Follow the steps to protect your home,
AND YOUR WALLET!

1 ASSESS THE DAMAGES AND CHECK FOR LEAKS

Have a professional check your roof and attic for leaks!

3 TAKE A PICTURE OF THE HAIL OUTSIDE

Document the size of hail your home encountered. Make sure to use your hand for relative size.

2 STOP THE MADNESS! TARP THE ROOF! IF IT'S LEAKING

Roll one end around the tarp, and put over peak on opposite side of leak. Run tarp from peak to trough and seal with boards, nail a board to end of tarp to weigh it down several feet below gutter.

Here are
5 EMERGENCY STEPS
TO PROTECT YOUR ROOF FROM HAIL

4 CALL YOUR INSURANCE COMPANY

They will send an appraiser to your home to assess damages and will usually have a contract with a large size roofing company to Come appraise the repairs.
